

NATIONAL ASSESSMENT PROGRAM – Civics and Citizenship 2019: key results

53%

OF YEAR 6 STUDENTS

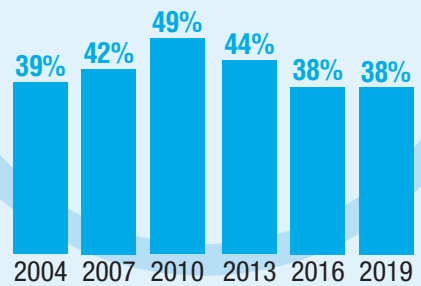

were at or above
the proficient standard

38%

OF YEAR 10 STUDENTS

were at or above
the proficient standard

**AT BOTH
YEAR LEVELS**

Female students
outperformed
male students

**AT BOTH
YEAR LEVELS**

Scores from
metropolitan schools
were significantly higher
than those from
regional and remote schools

**AT BOTH
YEAR LEVELS**

Students with parents who were
senior managers or professionals
had significantly higher scores than
students with parents who were
**unskilled labourers, or office,
sales or service staff**

**AT BOTH
YEAR LEVELS**

The differences in achievement
between students who speak
only English at home
and those who
speak another language
at home were not significant
