

# NAPLAN Reports: Key Dates

NAPLAN tests are taken in May, with the results and subsequent reports then released in separate stages.

## NAPLAN TESTS TAKEN BY 1 MILLION STUDENTS ACROSS AUSTRALIA

- Each May, over one million students take the NAPLAN tests.
- Provides students, parents, teachers, schools and school systems with important information about the literacy and numeracy achievements of students at that point in time.

2017  
May

## SUMMARY INFORMATION RELEASED

- NAPLAN summary information is released in August.
- Provides an overview of the preliminary national and state/territory NAPLAN results in reading, writing, language conventions and numeracy.
- The report is published as a dynamic web-based resource.

2017  
August

## STUDENT REPORTS RELEASED

- Student reports are released to schools for distribution to parents by the state or territory test administration authority.
- Timing varies between the states/territories.

2017  
Aug/Sep

## NATIONAL REPORT RELEASED

- The *National Report* is released in December.
- It provides a detailed analysis of how students perform in each year level, state/territory and by various demographics in society on a national scale in each of the four test domains.

2017  
December

## MYSCHOOL.EDU.AU WEBSITE GETS UPDATED

- The *My School* website gets updated with NAPLAN data in March of the following year.
